DIRECTOR

FERRAN NAVARRO–BELTRÁN (Barcelona, 1977)

He studied industrial engineering and a degree in design at the Polytechnic University of Catalonia. After working at several graphic design studios, he's been working as a freelance for 8 years (www.ferrr.com). However, he has always been related to the film industry, working with various audiovisual production companies. Having worked in the art department in 2 films, he studied screenwriting and film direction at "Som Joves Cinema" (University of Barcelona). "The Orchid" is his first short film.
